"Glorious Ensign of the Republic Full High Advanced!"
THE PRESIDENT'S TOTAL ELECTORAL VOTE, 292; BRYAN, 139; DOUBTFUL, 16.

MANLEY CLAIMS
308 FOR MCKINLEY.

He Counts Idaho and Kentucky as Republican—Latest Returns Give Nebraska to the President.

NEW YORK, Nov. 8.—As a result of messages received at national headquarters today by National Committeemen J. H. Manley and N. B. Scott from doubtful points, Mr. Manley late this evening gave out the following statement:

"Full returns today leave the situation as it was yesterday. We have won by 308 electoral votes. We have carried every Northern State but Colorado, Nevada and Montana. We have carried Kentucky, Maryland, Delaware and West Virginia.

"As we predicted during the entire campaign, they are attempting to rob us of the electoral votes in Kentucky under the power of the Goebel law. If they succeed, we shall have 295 electoral votes. Our candidate for Governor wires that we have carried Kentucky for the electoral ticket and elected him by over 7000. The time has come when the American people ought to insist, at whatever cost, that the votes shall be counted as they were honestly cast."

Senator Scott, in answer to a telegram inquiring as to the result in Nebraska, received the following dispatch from Edward Rosewater, member of the National Advisory Committee, who is a candidate for the United States Senatorship from Nebraska.

"Returns from rural districts incomplete, but no doubt whatever that McKinley carried Nebraska by not less than 3000. Governorship close, but prospects favor Republicans. Both houses of Legislature will be Republican by small majority."

CALIFORNIA, R.—9 VOTES.
COMPLETE RETURNS FROM ALL BUT 275 PRECINCTS.
BY THE NEW ASSOCIATED PRESS—P.M.
SAN FRANCISCO, Nov. 8.—Complete returns have been received from all but 275 precincts in the State. These give McKinley and Roosevelt a plurality of 54,611.
In the next State Senate there will be 34 Republicans and 8 Democrats. The Assembly will consist of 63 Republicans and 15 Democrats. The vote on the constitutional amendments cannot be obtained until after the official canvass has been made. Many counties have made no report on the amendments. The partial figures at hand indicate that all the amendments have carried excepting No. 14, exempting public lands from taxation; No. 4, relating to the salaries of Superior Judges, and No. 23, relating to courts of appeal.

THE GREAT AMERICAN
Welcomed Back to the Capitol.
Has a Hearty Handshake for All Callers.

Congratulated by Presidents of Two Republics.
Gov. Roosevelt Serenaded by Neighbors—The "Stunned" Is Now "Buried."

WASHINGTON, Nov. 8.—President McKinley and his party arrived here at 10 o'clock this morning. Several hundred people had assembled at the Pennsylvania depot to bid the President welcome. Secretary Hitchcock, Gen. Curtis and other officials gathered about the platform of the President's private car, and were the first to welcome and congratulate him. The crowd outside broke into hearty cheers when the President made his appearance with Mrs. McKinley. After hearty greetings, the party was driven to the White House, where the President had breakfast and returned to his duties. The trip beyond Pittsburgh during the night was uneventful, although thousands of people gathered at the stations to get the train as it passed. The President was kept busy today receiving callers. Secretaries Dan Hay and Hitchcock and Mr. Gurnea called early in the morning. Senators, Judges of the Supreme Court and several of New Jersey and Gov. Ludlow also called. The President greeted all callers with a hearty handshake, and during which the words of friendship between our two countries have, to my great delight, been drawn still closer.

"EMIL LOUBET." The following was from the American Philippine Commissionaries: "MANILA, Nov. 8.—The President: Sincere congratulations. The most important step in bringing peace and prosperity to these islands has been taken." "COMMISSIONER." The following was also received: "GUATEMALA, Nov. 7.—Mr. McKinley: I sincerely felicitate you." "M. HERRERA." "President." "RELUCTANT BRYAN." BY THE NEW ASSOCIATED PRESS—A.M. LINCOLN (Neb.), Nov. 8.—William J. Bryan sent the following telegram at noon today to President McKinley: "Hon. William McKinley, President of the United States: At the close of another Presidential campaign it is my lot to congratulate you upon a second victory." "W. J. BRYAN."

THE NEW VICE-PRESIDENT. SERENADED BY NEIGHBORS. BY THE NEW ASSOCIATED PRESS—P.M. NEW YORK, Nov. 8.—Four or five hundred neighbors and friends of Gov. Roosevelt serenaded him at Oyster Bay tonight. The villagers marched in the Governor's residence, escorted by 500 mounted men, and in the procession were fifty wagons decorated with bunting. The Governor spoke briefly, thanking the people for the serenade. He said the reflection of President McKinley made it certain there would be four years more of great prosperity, and he believed the country was entering upon a golden era that would eclipse any period in its history. He declared that dangerous fallacies had been laid at rest by the emphatic vote of the people, and that which four years ago was only stunned had now been buried.

LEGISLATIVE CANDIDATES. BY THE NEW ASSOCIATED PRESS—P.M. SAN FRANCISCO, Nov. 8.—The vote on legislative candidates is as follows: The districts not given being unchanged from last night: "Senate districts—No. 1—Gibbs (Rep.) 498; Taft (Dem.) 128. No. 2—Gibbs (Rep.) 381; Moody (Dem.) 288. No. 3—Lardier (Rep.) 309; Taylor (Dem.) 288. No. 4—Corbett (Rep.) 259; Kenyon (Dem.) 212. No. 5—Bryant (Rep.) 281; Thornton (Dem.) 294. No. 6—Felt (Rep.) 248; Alexander (Dem.) 268. No. 7—Gibbs (Rep.) 273; Sherman (Dem.) 212.

COMMERCIAL CONVENTION. TO BE SUBMITTED TO SENATE. BY THE NEW ASSOCIATED PRESS—A.M. PARIS, Nov. 8.—[By Atlantic Cable.] The Customs Committee of the Chamber of Deputies met today. The opinion prevails that the reflection of President McKinley will lead to a Franco-American commercial convention being shortly submitted to the Washington Senate, whose vote is awaited before the measure will be brought before the French Chamber.

INDICTMENT OF DEWEY. CHIEF NOT TO BE PROSECUTED. BY THE NEW ASSOCIATED PRESS—A.M. NEW YORK, Nov. 8.—The Evening Post says today: "So far as can be gathered from the rather non-committal statements of persons interested, the indictment against Chief of Police Dewey for interfering with the election of Superintendent McCullagh is not likely to be pressed with any particular strenuousness." "The main object, it has been stated, was to get a quiet and orderly election, and it seems that with that accomplished, it is considered that further prosecution of Dewey would simply create trouble for no purpose."

'COIN' FLEES FOR REFUGE.
Harvey, Hides in Arkansas to Escape Riots and Martial Law.

BY THE NEW ASSOCIATED PRESS—A.M. LITTLE ROCK (Ark.), Nov. 8.—A special to the Gazette from St. Louis, Ark., says: "H. H. Harvey, best known as the author of Odo's Pseudonym School, arrived here today from Chicago and gave out the following statement: 'In the next decade there will be riots, martial law and much distress and misery in the congested centers of the North, with the people subjected to an influence that is slowly bringing about their ruin. The people of Arkansas are to be congratulated on having no large city and no extremely rich people. For these reasons we have come here to make my home.'

BRYAN NOT IN IT AT BATAVIA. McKinley Receives Unanimous Vote of Precinct in Allegheny's Home County.

BY DIRECT WIRE TO THE TIMES. CHICAGO, Nov. 8.—[Exclusive Dispatch.] One promise to create a precedent in election returns and in a striking example of the good victory President McKinley won Tuesday is found in a report of the results in Allegheny, Ill. Here in one precinct McKinley received 975 votes, its unanimous vote. Bryan was simply not considered at all. Batavia is in Grant county, the home of Samuel Alchul, Democratic candidate for Governor, who, although he lost to Richard Yates, the Republican candidate, by a large majority, made a remarkable fight. McKinley won the county by 675 votes, and Yates carried it by 205 votes, showing how extensively Alchul's campaign caused scratching of the Republican ticket.

NEW RECORD ON ELECTION BETS. One Million Dollars Paid Over in Wall Street—Squabbles Over Doubtful States.

BY DIRECT WIRE TO THE TIMES. NEW YORK, Nov. 8.—[Exclusive Dispatch.] One million dollars in cash and checks was paid over today in Wall street by betting commission to winners of election bets. And while this interesting ceremony was going on half the brokers on the street were squabbling over another half-million wagered on doubtful States. This half million of cash will not be received until all doubt as to the result disappears. This creates a new record in national election bets in Wall street, and is the greatest amount of money ever paid over in a single day on any event. Louis Worman won \$125,000, \$40,000 of it being from Croker. James R. Keene drew his check for \$25,000. Col. Dewey, the Idaho silver mine owner, turned over \$20,000 to a Pittsburgh syndicate which stood to lose \$60,000 on the wager. Milwaukee Charles Foster drew a check for \$100,000. National Bank for \$40,000 to pay various bets, which, had he won, would have stood him \$100,000. A. C. handled \$700,000, J. J. Jones \$200,000 and R. K. Menham \$100,000.

REPUBLICANS WIN IN PORTO RICO. Federals do Not Elect a Single Delegate—Rioting at Rio Piedras.

BY THE NEW ASSOCIATED PRESS—P.M. SAN JUAN (Porto Rico), Nov. 8.—[By West Indian Cable.] The official returns of Tuesday's election are nearly all at hand from the various parts of the island. They show, as was anticipated and foreseen, the election by the Republicans of the entire House of Delegates and of Senate Frederick Degetau as Commissioner of Congress. Only 131 Federalists went to the polls, the total Republican vote being about 18,000. The only disturbance thus far reported occurred last evening, when some twenty Republicans of San Juan, who were celebrating the victory, visited Rio Piedras, a Federal town. They were met on the outskirts by the Federalists and the Mayor and police. Shots were exchanged, and one person was killed and two wounded. There was some rioting in the town throughout the night. Police reinforcements were sent there this evening to prevent a threatened renewal of the disorders.

DOOMED SHIP IS THE OLGA.

Vessel on Sand Bars at
San Francisco.

Goes Ashore in Fog Near
Cliff House.

Fatal Plague Case—Freight
Collision in Oregon—Boy's
Frightful Death.

THE NEW ASSOCIATED PRESS—P.M. SAN FRANCISCO, Nov. 8.—The American ship Olga, Capt. Duco, went ashore in a heavy fog tonight in front of the United States life-saving station near the Cliff House, a short distance south of the entrance to San Francisco Bay. The steamer went ashore at low tide, broadside on the lee in a bad position. Tugs have gone to her assistance. The crew is safe. The Olga is a freight ship from Honolulu, Java, with a cargo of sugar. She is a vessel of 2000 net tonnage, 100 feet long, 45 feet beam.

At 10 o'clock tonight the Olga's position was unchanged. It was reported she was leaking. It will be high water at midnight and an effort will be made then to pull the stranded steamer off. A number of vessels have gone ashore at the point where the Olga lies and none of them have got off. Owing to the Olga's position, broadcast on her engines cannot be of much assistance.

The Olga is about a quarter of a mile from the beach, a mile and a half south of the Cliff House, toward which her bow is pointed. A dense fog prevails and the vessel's outlines show but dimly from the land. At the point where she struck, the water is shallow for quite a distance out, owing to the presence of a number of sand bars. She evidently struck, imbedded in the sand bottom. The effort to move her with powerful tugs have failed to move her. The tide is rising and when it reaches its highest point six tugs will combine their strength in an attempt to save the vessel and its valuable cargo. The vessel is carrying a heavy swell is rolling in, and the men on the life-saving crew are inclined to think that the steamer cannot be floated. She is still aboard their stranded ship.

YOUNG'S FRIGHTFUL DEATH.

DRAWN BY A HORSE.
THE NEW ASSOCIATED PRESS—P.M. REDDING, Nov. 8.—From Redding county comes news of a frightful accident in which Robert Spinaux, aged 11, lost his life on the road near Klamath Falls. The boy carried the mail on horseback from Redding and a lumber camp called Polkman on the Klamath River. While returning to Redding at an easy trot, his horse slipped and fell upon him. The stirrup strap turned a loop about the boy's leg so that he could not free himself. The horse galloped on and the boy was struck at the head, dragging his head backward from the stirrup. Spinaux struggled to free himself, but could not. He was killed in a matter of minutes, and managed to throw the horse. The animal got up again before the boy could work at the stirrup which held him. John Edman, who lives near the road, discovered the young man's plight, and ran out with a shotgun, intending to shoot the horse. He could not do this without danger to the boy, who was being pitilessly torn and twisted at every bound of the frightened animal. Edman tried to strike him with the butt of the gun, but the horse knocked him down and went on. Mrs. Edman heard the shouts from across a field and headed off the horse. Edman quickly seized the bride and stopped him. Young Spinaux was dead. The stirrup could not be unwound from his leg, and had to be cut to pieces before the body could be freed.

WINKER OUT ON BAIL.

STAY IN THE PROCEEDINGS.
THE NEW ASSOCIATED PRESS—P.M. SAN FRANCISCO, Nov. 8.—There has been a stay in the proceedings against Alexander McKensie before the United States Circuit Court of Appeals as a matter of courtesy to the Supreme Court of the United States, which has now under consideration an appeal involving the jurisdiction of the intermediate court in the Noma litigation. McKensie was admitted to bail in the sum of \$500 this morning. His case will not be taken up until the first Monday in December at the earliest, to which time the Court of Appeals has adjourned.

AN ORDER WAS ISSUED ALLOWING

the taking of testimony in the Dubois case before Commissioner Hancock. It was charged that Dubois, who is claimed, was acting as a spy in the proceedings, advising his client that the writ of habeas corpus from the Court of Appeals was not valid, and that therefore it need not be obeyed.

When the Court for the arrest of McKensie

went to Noma there went with it an order summoning Dubois to appear and show cause why he should not be punished for contempt for having advised against the writ of the court. The order was not obeyed, and the proceedings today went to provide contempt and have an order for his arrest issued.

REPORTS ARE RECORDED.

WARRIS RELEASED ON BOND.
THE NEW ASSOCIATED PRESS—P.M. PHOENIX (Ariz.), Nov. 8.—On bond furnished by his wife at Los Angeles, C. M. Harris, who slipped to this city with Mrs. C. M. Binford over a week ago, was released from jail today. He and Mrs. Binford will have their hearing tomorrow afternoon before the Federal Commissioner.

Judge C. C. McCormack, father of Mrs. Binford

will arrive in the morning from Los Angeles. It is stated that Mr. and Mrs. Binford have effected a reconciliation, and it is likely no divorce proceedings will be brought.

RAILROAD CONFERENCE.

SWITCHMEN TO GO IT ALONE.
THE NEW ASSOCIATED PRESS—P.M. SAN FRANCISCO, Nov. 8.—The call says that the three week conference between Manager J. A. Williams, the division superintendent of the Southern Pacific Railroad, and twenty-five delegates, representing all the conductors, brakemen and yard men in the employ of the company, has come

to a sudden and not altogether satisfactory termination. It seems the switchmen, who are members of the Railwaymen's Association, which is conducting the case, were dissatisfied with the way their interests were being looked after, so they decided to wage their battle independently. This meant the striking out of all matters pertaining to the switchmen in the new schedule and caused an abrupt adjournment of the conference. It is said that this action on the part of the switchmen may be the forerunner of a similar movement on the part of the company's switchmen in Los Angeles and Sacramento.

FREIGHT HEAD-ENDER.

FATAL COLLISION IN OREGON.
THE NEW ASSOCIATED PRESS—P.M. ROSEBURG (Or.), Nov. 8.—This morning two miles south of Roseburg, by a head-on collision between two freight trains on the Southern Pacific, Sam Hendricks, engineer, was killed outright, and Fireman Riddle lost a foot and was otherwise bruised. Engineer Walter Drennan was fatally injured and Fireman Wilhelm was killed. Walter Drennan, engineer of the northbound freight, and Floyd, conductor, entered the date of train accident and lost their lives. The Green Station for the local freight came on, and they collided in Sheriff's field. Sam Hendricks' foot was broken and his body cut in two. Fireman Wilhelm's neck was dislocated and both legs burned off between the ankles. Hendricks' head was crushed. He had his spine injured. His recovery is doubtful. Both locomotives were completely wrecked; also several freight cars.

FATAL PLAGUE CASE.

REPORTED IN SAN FRANCISCO.
THE NEW ASSOCIATED PRESS—P.M. SACRAMENTO, Nov. 8.—The Red Cross will state tonight that Anna Rodde, a young woman whose home is at Greenville, Plumas county, died on Saturday, November 2, at the isolation cottage of the Children's Hospital in San Francisco of bubonic plague. Her parents were notified of her death, but not of the cause. They sent for her body, and were informed by the San Francisco Board of Health that the girl had died of plague, and it had therefore been necessary to remove her to the Pacific Hospital, and had been sent out to attend a boy who is supposed to have had plague.

DAY OF THANKSGIVING.

PROCLAMATION OF GOV. GAGE.
THE NEW ASSOCIATED PRESS—P.M. SACRAMENTO, Nov. 8.—Gov. Gage today issued the following Thanksgiving proclamation: "In obedience to the universal and praiseworthy American custom of setting apart a day for public thanksgiving and prayer to Almighty God, and in furtherance of the proclamation of the President of the United States of America, I, as Governor of the State of California, do proclaim the day of Thursday, November 13, 1919, as Thanksgiving day and a legal holiday."

FATAL QUARREL.

DRUNKEN MAN SHOTS.
THE NEW ASSOCIATED PRESS—P.M. STOCKTON, Nov. 8.—Millard E. Moore, a saloon-keeper at Farmington, this county, this afternoon shot and probably mortally wounded a fellow saloon-keeper named Isaac George. There was one witness to the affair, who declines to talk, except to the officers, but his story to the District Attorney shows it was a drunken quarrel. Moore was drunk and shot George in the right ear after a trivial dispute over money matters. At last accounts the wounded man was in a hospital, but he cannot live long. Moore is in custody.

DRUNKEN FINE'S CRIME.

SLASHES A RAILROAD MAN.
THE NEW ASSOCIATED PRESS—P.M. SACRAMENTO, Nov. 8.—Tonight a drunken Finn named Oscar Johnson, on being ejected from a front-street saloon, went away and armed himself with a knife and returned. In the doorway he met John Ryan, a railroad man, and made a slash at his neck. Ryan caught the blow on the point of the knife, and his arm was laid open for ten inches. Johnson was caught while trying to escape into Toho.

WINSHIP GOES FREE.

ACQUITTED OF MURDER CHARGE.
THE NEW ASSOCIATED PRESS—P.M. SAN JOSE, Nov. 8.—At 2:30 o'clock this afternoon, the jury in the case of Thomas J. Winship returned a verdict of acquittal. Defendant shot and killed Frank Newman in a local restaurant during the progress of a quarrel. At the trial it was claimed that the weapon was accidentally discharged. This was the second trial of the case. The first jury disagreed.

SUIT OF JOHNSON.

DATE FOR FINAL HEARING.
THE NEW ASSOCIATED PRESS—P.M. SAN FRANCISCO, Nov. 8.—The Interstate Commerce Commission has designated December 10 as the date for the final hearing and arguments in the suit brought by the Johnsons of the Middle West to force unreasonable and damaging conditions in transportation upon the Pacific Coast. The hearing will be held at Washington.

Channel-Street Strip.

SAN FRANCISCO, Nov. 8.—The Supreme Court decided the Channel-Street strip case today in favor of the State. The litigation grew out of the action of the Pacific Improvement Company, which bulkheaded a portion of Channel street in this city and sought to retain it.

DEFENSE OF THE CUP.

IRELAND TO SAIL COLUMBIA.
THE NEW ASSOCIATED PRESS—P.M. NEW YORK, Nov. 8.—C. Oliver Lash will manage the old defender Columbia in the trial races next summer with the new yacht now being built at Herreshoff's shops in Bristol, R. I. to defend the America's cup against Sir Thomas Lipton's challenge. News of this definite determination of Lash comes from a yachtman who is in close touch with plans now under way for the defense of the cup. It means that the delay in the selection of a manager for the new boat, which is generally understood to have been in a large measure due to the hope that Mr. Lash might be induced to accept the responsibility, will probably now come to an end.

SHAMROCK CONTRACT LET.

THE NEW ASSOCIATED PRESS—P.M. GLASGOW, Nov. 8.—The contract to build Shamrock II has been definitely placed with Messrs. D. and W. Henderson, the builders of the three Valiants. The Shamrock II is to be completed by March 31, and the first trial will take place on the Clyde about May 1. The Valiants both the Shamrock II will be sent to the United States to be tested in American waters.

WORK GOES BRISKLY ON.

Stirring in Extension of Local Field.

Better Tone Evident on the Exchange.

New Pipe Line for Whittier. Ocean Oil Going Up—More Sprays.

In that part of the southwestern extension of the local field opened up recently by the Los Angeles Oil Company, the activity in development work continued to some time ago, continues with unabated zeal.

The plant of the Los Angeles company is now one of the most active sources in the Los Angeles field. The company has four wells on the pump, all of which are working at a very satisfactory rate. The No. 1 is on the drill, but little activity has been shown in the past few days. The company has been turning its attention to a new well.

The Los Angeles company, operating on the Los Angeles field, has a well on the pump, also has a well on the pump, but the latter is not yet on the pump. The company has a well on the pump, but the latter is not yet on the pump.

WHITTIER OIL.

WHITTIER, Nov. 8.—(Regular Correspondence.) The oil wells started with some promise a few months ago in the Carpinteria Valley do not seem to be of much value. One of the operators in this field, the Central City Oil Company, it is reported, is removing its casing and will give up the search.

The Hall Oil Company's well on the Rincon is in over 1000 feet, but as no oil has been found the operators have decided to give up.

A prospect well on the P. C. Higgins ranch gives some encouragement, but much difficulty is being experienced with quickness.

Now To Business!

The election is over and no matter whether you were for McKinley or against him—he's your President and ours for four years more. We'd like to have you pay your election bet in the way of hats or suits from our stock. Or if you're the winner let the other fellow down easy by keeping away from high-priced stores. You may have bet a \$5.00 hat and won. Try a "Bilgus Special." They're only \$3.00, but really they compare favorably with most any hat offered at \$4.50 or \$5.00, and see you make the other fellow feel better by saving him \$2.00. If you lost a suit of clothes there is a saving of from \$5 to \$10 if you buy it here, and one makes better suits than we do.

Maine Meeting.

The State of Maine Association will hold its annual meeting at the Y.M.C.A. this evening. Officers are to be elected for the coming year. Many former residents and natives of that far-away State are expected to attend.

Spoons Christened.

The new silver spoons recently purchased by the faculty of the Los Angeles State Normal School were christened with a tea drinking Wednesday afternoon. Prof. James read a paper giving an abstract of Dr. Dewey's "Lessons in Educational Library," based on educational experiences in Chicago.

Annual Rally Day.

Trinity Methodist Episcopal Sunday-school will hold its annual rally-day services Sunday morning. An interesting special program has been arranged and a general invitation has been extended to the public to be present whether members or not of any other Sunday-school or of none at all.

New Directory.

A new directory company, entitled The Los Angeles City Directory Company, has just been organized. The management of Dana Burke, who has had much experience in the directory publishing business, is associated with him a number of well-known business men. The object of the new corporation is to supply Los Angeles with a new directory in keeping with the city's progress.

Herald the Concert.

Notwithstanding the rain, the parade and the crowds upon the streets, a good-sized audience gathered for the excellent concert given at the Young Men's Christian Association last night. The occasion was the first annual of the season's entertainment course, and was a concert given by the First Congregational Orchestra, assisted by Miss Currie Hart, soprano. Every number won approval from the audience.

Day of Prayer.

Thanksgiving day will be observed by the members of the Women's Christian Temperance Union throughout the country, as a day of prayer. The national convention of the organization will be opened at Washington, D. C., the day following, and the prayers will be particularly for the success of that convention and the advancement of the temperance cause. The Los Angeles W.C.T.U. is preparing for the event.

Children's Trunk Party.

The electric street railway which was opened at Hollenbeck Park on last Sunday, on Cummings street, was yesterday completed to its Stephenson-avenue terminus by way of Boyle avenue. The event was celebrated by a trunk party to about 350 children of the orphan school, which is located at the end of the line. The children were taken to Westlake Park and back. To these the new line will provide particular convenience, and its completion will also induce many more visitors to the school.

What Shows.

The score of the players in the Los Angeles Whist Club individual contest at the close of the play Wednesday evening stood as follows: Mrs. J. W. Hendrick, 174; F. L. Loftus, 174; Mrs. E. C. Baxter, 174; James Ford, 174; E. C. Baxter, 174; Joseph L. Hendrick, 174; Mrs. A. A. Dickson, 174; Mrs. A. Morris, 174; Mrs. J. L. Hill, 174; Mrs. W. H. Spinks, 174; E. C. Fordham, 174; Dr. J. A. Munk, 174; Mrs. C. E. De Camp, 174.

REVIEWS.

CITY DIRECTORY. A paid notice appeared in the morning papers of the 18th inst. reflecting on the responsibility of the Los Angeles City Directory Company and the Los Angeles Modern Directory Company assumes the responsibility for this notice. It is only necessary to remind the business public that this Los Angeles Modern Directory Company were the perpetrators of the late machine directory, which proved a failure. They now propose to issue a substitute in the shape of a book, which will contain the information procured some months ago, which of course cannot help but be too old for practical use. It is also well to inform the business public that the machine directory is said to be an infringement on a former similar patent, and a suit of injunction and for damages has been instituted against the Los Angeles Modern Directory Company by R. L. Folk & Co., directory publishers of Detroit, Mich., and independent of the Los Angeles Modern Directory Company to the contrary. The Los Angeles City Directory Company will publish a complete city directory of Los Angeles, and will guarantee their book to be the best and most complete work of the kind ever issued in Los Angeles. Mr. Dana Burke, who has been interested in the publishing of the Los Angeles city directory for the past four years, and a resident of Los Angeles for twenty-one years, will manage and publish the city directory and respectfully requests the business public to observe their orders for the Los Angeles City Directory Company's city directory for 1934. They are making a preliminary canvass for book orders but the general information will be taken in January, 1934, when most changes in business firms can be made and the book will be published on or about March 25, 1934, when it will be of most use and service. Respectfully, LOS ANGELES CITY DIRECTORY CO., office 218 Henne Block, L. A. Telephone Main 1287.

Remember the poor on Thanksgiving day. For several years past Bethlehem Institutional Church, Los Angeles, has given a dinner to the needy families of the city on Thanksgiving day. Bethlehem has set a table for the poor, and supplies for their annual dinner—potatoes, beans, cabbage, celery, onions, turkey, chicken, meat, fruit, nuts, cranberries, canned goods, coffee, tea. They will need a good sum of money to supply articles not otherwise donated. Send to Dana W. Bartlett, telephone John 30, 510 Vignes street. Bethlehem now conducts the Good Samaritan work, and has charge of nearly all of the outdoor poor of the city, therefore please make your donations this year as large as possible. All non-perishable articles can be used later on.

MIKADO'S NEW SEA DOG.

Battleship Mikasa Launched at Barrow, Eng.—Most Formidable Ship of Its Kind.

THE NEW ASSOCIATED PRESS—A.M. LONDON, Nov. 18.—(By Atlantic Cable.) The Japanese battleship Mikasa, said to be the most formidable vessel of its kind in the world, was launched today at the Vickers-Maxim works at Barrow.

The Mikasa is of 15,500 tons displacement. She is 350 feet long, 78 feet wide and 27 feet 3 inches deep. She has two propellers, and an indicated horsepower of 15,000. She has an armor belt of 12 to 14 inches, and the armor on her gun positions is 4 to 6 inches thick, while the deck plating is 3 inches thick. The armament of the Mikasa consists of four 15-inch guns, fourteen 6-inch quick-firing guns, twenty 12-pounder anti-aircraft guns, and four 2-pounders. She has four submerged torpedo tubes. The vessel has a speed (estimated) of 23 knots, and her normal coal supply is 1,400 tons. She carries a crew of 730 men.

Kid Gloves.... at Half.

This gigantic movement of gloves is at its height. Throughs gather hourly—feverishly—expectantly. Not one person has been disappointed in the values they found.

Hundreds of Dozens of Good Gloves

Were purchased at our own prices. This is not an ordinary transaction, but one which is worthy of the buying organization which consummated the deal. Hamburger methods are different from those of other stores. If they were not superior in every qualification this store would not have grown to its present proportions. We wonder if our patrons sufficiently realize the importance of this store and its plan of management. If it were not for the guiding hands which have brought our system to this degree of perfection a sale like this one would be unknown on the Pacific Coast.

You are buying gloves for half, and the gloves you buy are as good, as perfect, as carefully made and as high grade as any to be found at double their prices. Regular prices of these kid gloves were \$1.25, \$1.50, \$1.75 and \$2.00. During this sale you can buy them

At 75c, 89c, 95c and 98c.

Our New York buyer secured a sample line of eiderdownsacks ranging in price from \$1 to \$3. The line includes all the newest and prettiest styles in plain colors and stripes. Some are beautifully trimmed. There are no two alike. On sale at \$1.98, \$1.50, 98c and..... 69c
